## Indoor Air Comfort Gold

Designflooring 16

*Certified Product*

Karndean Designflooring

Crab Apple Way – Vale Business Park, Evesham WR11 1GP, UK

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |                               |                              |
|--------------------------|----------------------------|-------------------------------|------------------------------|
| - Belgian VOC regulation | - LEED (ACP)               | - Blue Angel DE-UZ 120        | - Eco Product Norway         |
| - France VOC class A+    | - BREEAM New Construction  | - Austrian Ecolabel UZ 42     | - SINTEF (Norway)            |
| - Germany (AgBB/ABG)     | - WELL Building            | - Austrian Baubook            | - Cradle to Cradle           |
| - Italian CAM Edilizia   | - DGNB                     | - M1                          | - very low emitting products |
| - EU Taxonomy Regulation | - SKA Rating               | - Danish Indoor Climate Label | - according to EN 16798-1    |
|                          | - French HQE certification | (Emission Class 1)            | - Singapore Green Label      |
|                          |                            | - BVB (Sweden)                | - Global GreenTag            |

## Appendix to Certificate IACG-66-01-07B-2025

### Karndean Designflooring

receives the Indoor Air Comfort Gold certificate with validity 11 January 2027

for below product group, including subgroups and individual products as listed:

Product group: Designflooring 16

Product type: Resilient Floorings

#### Products included:

Art Select  
Van Gogh  
Opus  
Opus Enhance  
Knight tile  
Palio Essenza

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
