LOOSE LAY

Karndean LooseLay

A collection of contemporary designs in a loose lay format

At Karndean we see flooring differently...

We travel the world in our quest to bring you exceptional floors that inspire and delight. From the ancient forests of Europe, to the remote Australian outback and beyond, we seek out expressive and intriguing forms in the natural world to influence our unique floor designs.

By combining these original features with cutting edge design, we create simply beautiful floors that bring your vision to life.

We know you need a floor to be durable and stay looking good no matter what life throws at it. All Karndean floors are finished with our K-Guard+® protective coating, which helps against day to day wear. Each of our floors comes with a lifetime guarantee offering you peace of mind for years to come. Each of our floors is comfortable underfoot, perfect for all the family. Quieter than other flooring alternatives, some of our ranges achieve the Quiet Mark for sound reduction. For added warmth and comfort, all Karndean floors are compatible with underfloor heating.

Pet friendly

From muddy paw prints to household accidents and anything in-between, our low maintenance floors are designed with pets in mind.

Kid friendly

Karndean floors offer kids a safe and comfortable space to play, and parents an easy-to-clean surface.

Durable

Karndean Designflooring gives you the look and feel of natural products with the durability and resilience of luxury vinyl.

Low maintenance

Easy to clean with a sweep and mop. Doesn't require sanding, varnishing or staining.

Phthalate free

We pride ourselves on environmental awareness in the manufacture and supply of all our products, and can proudly say that all Karndean products are phthalate free.

Quiet underfoot

Karndean Designflooring offers formats that reduce noise transfer by up to 22dB – perfect for upstairs bedrooms, playrooms or attic/loft conversions.

Design capabilities

The Design flexibility of Karndean flooring allows you to create your own unique and personalised look in any space.

Lifetime warranty

Not only is a Karndean floor unique to your home, but it's guaranteed to last for years to come.

Loose lay

Featuring our K-Wave® friction grip backing that holds the product in place using a combination of weight and friction, our loose lay products require only minimal adhesive. Available in Karndean LooseLay Longboard and LooseLay Originals.

With our LooseLay Longboard and LooseLay Originals ranges, you can have a loose lay floor with design flexibility and even incorporate multiple colours into one design. You can carry your chosen design throughout the space without the need for transition strips.

This is our most ergonomic flooring option, meaning it provides the most cushioning underfoot.

Vulcano LLT211 Concrete

Why would you want a loose lay floor?

- Individually replaceable:** Should you need to replace a piece, simply lift the damaged plank or tile and replace with a new one.
- Quick and easy to install:** Our loose lay ranges can be fitted over most existing hard floors.
- Reduces noise transfer:** Our loose lay ranges are perfect for projects where you want to reduce noise levels in the room below.
- K-Wave® friction grip backing:** Our friction grip backing creates a strong bond to the subfloor.

Adhesive may be required for some applications, please refer to installation instructions

What's great about loose lay not being fully adhered to your subfloor is that if you need to replace an individual plank or tile, it's quick and easy to do so!

Focus on Style

Focus on Style

Smooth Operator

Pared-back palettes layer mono-colour shades and therapeutic tones over clean interior lines. While drawing heavily on a retro aesthetic, Smooth Operator is as fresh as tomorrow. It perfectly balances the current yearning for newness with the reassurance of the familiar.

Classical touches such as arches and bespoke built-in furniture set a luxurious scene. Monumental materials like stone and concrete are made soft, and timber becomes fluid as sinuous, sensual curves deliver both visual and physical comfort and reassurance.

With no compromise to comfort or style, Timeworn celebrates the imperfections and imperfect character of natural materials.

Timeworn Treasures is an antidote to the fast pace and overstimulation of modern life along with its ever-changing fashions and endless consumer choices. Think raw-edged timbers and the organic textures of stone. Luxurious leathers and cosy lighting. And the reassuring artisan's touch of handcrafted furniture, fabrics, ceramics and art.

Focus on Style

Firm Foundations

Firm Foundations combines the strength and resilience of nature with a raw-edged and utilitarian industrial vibe.

Firm Foundations is a timeless design direction that delivers just that. While this look is all about dependable function and practicality, it's also uncompromising in bringing understated elegance and comfort to contemporary living spaces.

Think dark timbers, exposed brick, polished concrete and terrazzo. Think modern statement furniture and a moody dark palette with bursts of colour that provide a backdrop for optimism and a comfortable life of luxury.

Focus on Style

Golden Age

In a time of change and uncertainty, the Golden Age palette taps into the comfort of the familiar. Organic colours of the earth, timbers and natural fibres bring the grounding and nourishing power of nature into the home

The Golden Age is all about interiors that spark joy and a closer connection to nature. As we reconnect to the things that matter most, an organic palette, materials inspired by nature, and the artisan's hand in furniture and furnishings come together in wholesome, energising and artful interiors. Bring a comforting glow to interior spaces all year round.

Environmental

Karndean Designflooring and the environment

At Karndean Designflooring we find inspiration for our products in the beauty of the natural world and feel passionate about bringing this into every product we create. To keep our environment protected we do everything we can to continuously improve our manufacturing processes to ensure sustainability whilst delivering the best value. We have always aimed to make stylish and durable floors with the lowest possible impact on the environment, and have never had to compromise quality or performance to comply with legislation or meet environmental requirements.

Karndean Designflooring is a member of the Green Building Councils of Australia and New Zealand and complies with their requirements under GreenStar. All Karndean products and accessories are manufactured in facilities certified to the ISO 14001 Environmental Management and ISO 9001 Quality Management International Standards. Our approach is based on the use of recycled materials in our floor coverings and ensuring that the finished product is suitable for recycling if required.

What's more...

- All of our packaging is made using recycled material, which we continually review to ensure that it is environmentally friendly and fit for purpose
- We use individual logistical solutions to efficiently and effectively transport our products
- Our storage facilities use high density racking to maximise capacity and minimise impact
- Our offices are introducing innovative energy saving techniques
- We are members of the Green Building Council Australia (GBCA) and Green Building Council New Zealand (NZGBC)
- Our products qualify for eco-points towards GreenStar building projects
- All of our adhesives are water based, solvent-free, have low VOC emissions and are GreenTag certified

GreenStar GreenTag™ certified

The majority of Karndean luxury vinyl ranges are fully certified to Global GreenTag, the third party multi-criteria, consensus based and externally verified Type 1 eco-labelling program. This is one of the largest product sustainability certification systems in Australasia and the only certification mark approved by the Australian Competition and Consumer Commission (ACCC).

GreenTag comprises two certification systems and the majority of Karndean Designflooring luxury vinyl is certified under both.

LCARate™

Life Cycle Analysis is for all products and all rating tools that engage LCA with separate output called an Environmental Product Declaration (EPD), which is a summary LCA report used for certain credits in some rating tools for GreenStar.

GreenRate™

GreenRate is a straight Type 1 eco label developed to meet the requirements of specific green building rating tools. It includes indoor environmental air quality: volatile organic compounds compliant (IEQ VOC) and reduced exposure to pollutants. GreenRate is offered in three levels of quality from Level 'C' up to Level 'A' relevant to GreenStar in Australia and New Zealand.

Karndean Designflooring LVT ranges and adhesives are fully certified under GreenStar GreenRate Level 'A', plus under international FloorScore Indoor Air Quality Certification for low emitting VOC's. Also certified to LCARate "silver streamline".

Learn more and download Karndean Designflooring's GreenTag certificates on our website.

Transferable purchase warranty

If you purchased your Karndean Designflooring through a Karndean Retail Partner your warranty will have the added benefit of it being transferable. This means that if you sell your house within your guarantee period, you can pass the warranty on to the new owners.

To qualify for a transferable warranty, you must:

- Adhere to the terms and conditions outlined in the Purchase Warranty
- Purchase from one of our retail partners and they will provide us with your email address to enable us to send you your transferable warranty

For more information or to obtain your Purchase Warranty, please speak with your local flooring retailer or contact our **Customer Service Team**.

The lifetime residential warranty is defined as 35 years and protects against product wear out and manufacturing defects. What's more, the warranties are now transferable to any future owners subject to the terms and conditions of the Transferable Purchase Warranty).

Cleaning and maintaining your Karndean floor

Karndean Designflooring is hardwearing and easy to look after. Our enhanced surface treatment helps protect against everyday wear, spills and scuffs. This makes it easier and more environmentally friendly to clean and maintain, giving you peace of mind that your Karndean floor will look great for years to come. We have a dedicated section on the website with videos that explain how best to look after your Karndean floor and covers lots of frequently asked questions from our customers.

Visit www.karndean.com/cleaning for more information.

We also supply our own Floor Care Kits that you can order from your local retailers including everything you need for a simple cleaning routine.

Inside your Floor Care Kit

Regular cleaning with a pH neutral cleaner such as Karndean Clean will help keep your floor at its best.

Over time you may want to treat your floor to some extra care. We recommend every six to twelve months, depending on wear, that you strip and refresh your floor using Karndean Remove and Karndean Refresh, to further enhance its look and durability.

Imagery and Design Reproduction

Photography and print cannot always produce a perfect representation of our products. This includes colour, pattern variation and installation elements used. For this reason we strongly recommend obtaining a product sample and where possible viewing a larger sample in-store. We also recommend visiting our website for information on installation, after care and product selection: www.karndean.com/advice. We love developing new ideas and improving on our existing designs which means that sometimes products are withdrawn at short notice. We hate to disappoint and will work with you to find an alternative design. Please contact Customer Service for more information.
